

You are a nurse in Ontario but with no evidence of safe practice for at least three (3) years.

Provide us with your CNO documents outlining your requirements to return to practice in Ontario.

Complete the cluster of nursing courses indicated in your GBC CE academic guide (see your guide for details).

Ensure you have completed the NURS 9215 (Clinical Practice Consolidation) hours dictated on your academic guide.

Request to receive a George Brown College Academic Pathway Evidence of Safe Practice Certificate.

Request for a Verification of Course Completion (VCC) to be sent to the CNO.
